SOUTHWEST OHIO REGIONAL TRANSIT AUTHORITY

Monthly Financial Report

Executive Summary

March 31, 2022

SORTA's financial report for three months ending March 31, 2022 is attached.

Operating surplus before adjustments was \$3.7 million for the month and \$10.5 million year to date. Capital Revenue was recorded to offset the operating surplus to build the Capital Reserve.

Total Revenue of \$14.7 million for the month was favorable to budget by \$2.2 million or 17.6%. Year to date total revenue of \$42.8 million was \$7.0 million favorable year to date or 19.5%.

Key Drivers - Total Revenue

- **Fares**: Fare revenue was unfavorable to budget by \$(291,000) or (26.1%) for the month. March non-CPS ridership for fixed route was unfavorable to budget by (7.5%) and Access ridership was favorable to budget by 12.1%. The unfavorable Metro fare revenue of \$(286)K was primarily due to Metro Fare-Free Week promotion. The promotion yielded the highest weekday ridership since the pandemic began in March 2020.
- **Other Contract Revenue**: Unfavorable \$(37)K or (24.0%) for the month. The unfavorable revenue is entirely due to the slower than anticipated revenue from contracts with businesses and universities.
- **ARP Competitive Grant**: The unbudgeted revenue recorded for the first quarter of \$6.3 million is 10% of the \$62.3 million awarded for additional assistance from the American Rescue Plan. The revenue from the competitive grant will be recognized over the 21 month period January 2022 through September 2023.

Total Expense of \$11.0 million was favorable to budget by \$1.5 million or 12.1% for the month. Year to date total expense of \$32.3 million was favorable to budget by \$3.5 million or 9.9%.

Key Drivers - Total Expense

- **Wages & Benefits**: Favorable to budget by \$272,000 or 3.4% primarily from maintenance wages and lower than anticipated operator trainees for the month.
- **Fuel & Lubricants**: Favorable to budget by \$164,000 or 32.6% because of favorable price and miles per gallon compared to budget.
- **Parts & Supplies**: Unfavorable to budget by \$(156)K or (25.8%). Unfavorable revenue vehicle parts of \$(137.8)K or (36.1%) was the main driver for the month. Actual parts expense is expected to be approximately 40% higher than anticipated in the 2022 budget for the remainder of the year.
- **Other**: Favorable to budget \$1.2 million or 36.7% due to the timing of outsourced services and advertising compared to budget.

April 2022

Spring doesn't officially begin until Opening Day in Cincinnati. We were excited to be able to celebrate this unofficial holiday by offering Reds fans a fare-free day last week. It gave current and potential riders an opportunity to take advantage of our new 24-hour service, increased frequency and more direct service options and discover just how easy it is to ride Metro, not only to work, or school, but to play!

May is Bike Month: Each May communities across the country celebrate Bike Month as an opportunity to promote bike safety, enjoy bike paths and encourage riding as a fun and healthy mode of transport. At Metro, we know that biking and riding make the perfect pair! That's why on Bike-to-Work Day on Friday, May 20 customers utilizing the bike racks on the front of buses will get to ride Metro free. It's a great way to get up steep hills or ride for part of your commute and bike the rest. Also, look for Metro participating in additional bike month activities with local partners throughout the month.

New CFO Coming On-Board: We're excited to share that Metro has named Larry Pinkelton as our new Chief Financial Officer. He begins effective May 2 and will join us for our May SORTA Board meeting.

Mask Mandate Extended: The Transit Security Administration (TSA) has once again extended the security directive requiring masks to be worn on public transportation through May 3, 2022. Masks must be worn on all Metro buses, bus stops and transit hubs, as well as our sales office.

Golden Bus Awards: Don't forget to join us as we celebrate our Employees of the Year during our inaugural Golden Bus Awards on April 21, 6-9 p.m.
