June 2022

June is National Safety Month. While safety is our top priority every day, this month provides us with a great opportunity to recognize and celebrate our Safety All-Stars. This year we are proud to share that we have two operators who will be inducted into the prestigious national “Two Million Miles” club for driving two million miles over at least 30 years without a preventable accident. That’s an incredible feat!

This month, we are also celebrating 607 Metro and Access operators and maintenance team members who have achieved excellence in safety. Be on the lookout for an invitation to celebrate our milestone recipients and their dedication and service to our community during our annual Safety Awards Luncheon on July 19.

FTA Grant for BRT Planning: We are very thankful to the Federal Transit Administration for the recent awarding of nearly \$800K in grants from the American Rescue Plan Act to help fund route planning and design work for the Bus Rapid Transit Corridors as outlined in the Reinventing Metro Plan.

Celebrating Juneteenth and Pride: Diversity. Inclusion. Equity. These aren’t just words at Metro, rather values we work to ensure daily, both internally and externally. We’re proud to say that we were one of the first organizations in the city to provide benefits for same-sex partners in 2015 and in 2020 we became one of the first organizations to recognize Juneteenth as a paid holiday for our team members in commemoration of the emancipation of slavery in the United States. Look for us this month at citywide celebrations in honor of both Juneteenth and Pride Month.
