REINVENTING
METRO!

METRO on the MOVE

From Darryl Haley, CEO & General Manager
and Secretary-Treasurer

#ReinventingMetro

July 2022

Dump the Pump Summer Weekends: Our first two weekends of going fare-free for our *Dump The Pump Summer Weekends* promotion have shown significant ridership increases:

- Weekend 1: July 2 ridership up 18% and July 3 ridership up 25%
- Weekend 2: July 9 ridership up 21% and July 10 ridership up 36%

The free ride promotion will last through Labor Day weekend, Sept. 4 and offers the community an excellent opportunity to experience all the new service improvements that have been implemented for our weekend service, while also getting some relief at the gas pump.

Metro's Great Summer Giveaway: gas pump pains have many people looking for fun vacation activities right in our backyard and Cincinnati has much to offer. Now with routes with 24-hour service, increased frequency, two new crosstown routes and much more, Metro is a cost-effective option to connect you to your favorite destinations. Customers are invited to enter our *Great Summer Giveaway* campaign on social media for a chance to win a 30-day pass and a day pass to bring a friend along, as well as passes to iconic Cincinnati destinations like the Cincinnati Zoo, Cincinnati Music Festival, Cincinnati Reds games and more. The contest will run through the end of the summer.

We're (still) hiring!: If you know of anyone who is looking for a rewarding career serving their community as a Metro bus operator, please encourage them to apply. New operators start off making more than \$43K a year with the opportunity to earn more than \$62K a year in as little as five years. Plus, new operators receive a \$2,000 hiring bonus with pay increases every six months, not to mention all team members receive full benefits, including a 14% earnings match into their OPERS retirement plan. Our next career fair is Aug. 9, 4-7 p.m. at our Queensgate Garage.

Celebrating Safety: After the board meeting we hope you all will join us for our annual Safety Awards Luncheon where we will honor two operators who have been inducted into the National Safety Council's Two Million Mile Club, in addition to our milestone safety award recipients who have demonstrated exceptional attention to safety accomplishing 5, 10, 15, 20, 25, 30, 35 and even 40 years of accident-free driving! We are excited to have Retired Reds Player Tom Browning serve as our keynote speaker during the luncheon.
